

ELITE SURGICAL AFFILIATES

YOUR EXPERIENCED PARTNER IN FACILITY OPERATIONS

OUR SERVICES

Elite Surgical Affiliates provides a complete spectrum of development and management services for surgery center operations, as well as back-office services, including billing and collections, for our physician partners.

On the development side, we do what it takes to get medical facilities fully operational through a range of services such as syndication, facility design, equipment procurement and accreditation. On the management side, we handle day-to-day business activities, including sales and marketing, financial management, internal controls and more.
